

GOODWILL INDUSTRIES GOOD SAMARITAN PROGRAM

Helping People

Goodwill’s Good Samaritan Program partners with Lane County schools and agencies, and together we help address the needs of economically disadvantaged families. This means students who are attending school without the proper clothing can receive free vouchers to purchase needed apparel.

You can collect the donations or have the Individuals make designated donations at any of our stores or donation centers on behalf of an organization. You can help each time you donate to Goodwill. Together we can help families in need.

How to Participate

- Send email requesting to participate in the Good Samaritan Program to saraj@goodwill-oregon.org, once approved and added to the list you can participate by following the below steps.
- Bring your donations to any Goodwill Industries of Lane and South Coast Counties store or donation center.
- Tell the donation attendant you want your donation to benefit your organization. If you do not let us know that, then your donation won’t be credited.
- Together with the donation attendant, your donations will be weighed, and the attendant will note the weight on a tally sheet for items less than 100 pounds. You will receive a receipt for tax purposes.
- Your donation information will be forwarded to Goodwill’s Administration office at the end of each month, where the figures are totaled.
- For every 200 pounds donated on behalf of the organization, your organizations Administration office will receive a \$10 voucher.
- The vouchers can be redeemed for gently used merchandise in any of the Goodwill Stores listed below.
